Technical Definitions

Anti-pill

The surface of the fabric is treated to reduce the possibility of pilling.

Combed cotton

Yarn is combed at the spinning stage in order to draw out dead fibres.

Comfort finish cuff seams

Cuff seam is sewn flat for added comfort.

Double folded seams

The seam edge is folded twice sealing the seam and adding strength.

Double roll tip collar and cuffs

The collar and cuff edge is knitted with double thickness in order to retain a neater shape.

Easy iron

A special finish to the surface of the fabric which reduces creases and minimises ironing.

Fitted

A shaped fit both feminine and sleek enough to be worn under a jacket.

Flat knit collar

Individually knitted to size, will not fray or curl.

Fused collar

An interlining is fused into the collar to help retain its shape.

Reinforced shoulder

Tape inserted into the seam giving extra strength.

Semi fitted

Garment features soft tailoring to the waist and hips for easy layering.

Side vents

Small opening at the base of side seam for a comfortable sporty look.

Slanted placket

Corner of placket is slightly tapered to prevent curling around the collar.

Taped hack neck

Self fabric tape attached to the neck giving a smooth and comfortable finish.

Taped side vents

Side vents are sealed with woven tape for extra strength.

Twin needle stitching

Two rows of stitching at key seams for strength, style and neatness.

Ethical Statement

Gamegear adopts a rigorous selection process for garment manufacturers ensuring only those that are totally committed to exceeding our high ethical standards become appointed suppliers.

We recognise and honour our duty to protect the workforce used in the manufacture of Gamegear garments. Each appointed manufacturer must conform to the following terms as a minimum requirement.

- Children must not be employed below the legal minimum age required by the law of the individual country.
- Employees are to be paid no less than the legal minimum wage as required by the law of the individual country.
- Working hours must not exceed those set out by local legislation and overtime must be voluntary.
- Maternity leave must be made available to all female employees.
- Good working conditions must prevail. The provision of adequate wash room facilities and a canteen are essential.
- Primary medical care must be provided on site.
- Living accommodation should be provided to staff where necessary. To ensure continued compliance, our manufacturers are frequently inspected and reported upon by local independent agents.

As a further safeguard, unannounced inspections are regularly made by Gamegear senior management.

Gamegear is also dedicated to protecting the environment and purposely seeks out suppliers who take positive action to minimise both waste and the impact of their manufacturing processes on the surrounding environment.
